

Pewter Picture Frame Template by FusionBeads.com

Instructions

Print a copy of this template (use cardstock if possible). Cut out the center of each of the frames below. Lay stencil over a picture or design. Trace outline of frame. Your picture can then be cut to the perfect size to fit the frame.

For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select Beading Techniques from the top navigation bar.
