Wire cutters

Beading Techniques needed to complete the necklace:

Opening and Closing a Jump Ring
Simple Loop

Instructions to complete “Pretty in Pink” necklace:

Step 1

Place any one 4mm crystal bicone bead onto an eye pin, making one unit. Turn a loop (see Simple Loop Technique) at the open end of the eye pin.

Step 2

Repeat Step 1 with each of the remaining 4mm crystal bicone beads.

Step 3

Measure 5 inches from one end of the 18-inch length of chain. Open one jump ring (see Opening and Closing a Jump Ring Technique). Use the jump ring to attach one 10mm Light Rose crystal flower charm to the chain link at the 5-inch point.

Step 4

Open the loop on one 4mm Fuchsia crystal bicone unit made in Steps 1 – 2, and attach it to the second chain link from the charm attached in the previous step (counting toward the middle of the chain). Close the loop. Open one jump ring, and use it to attach one 10mm Crystal AB crystal flower charm to the unattached loop on the same crystal bicone unit. Close the jump ring.

Step 5

In the same manner as in Steps 3 – 4, connect flower charms and 4mm bicone units to the chain in the following sequence, skipping one chain link after each dangle. The items for each chain link are listed from left to right starting from the item attached directly to the chain (as in Step 4).
