Instructions to complete “Hydrangea” earrings:

Step 1

Open the loop on one ear wire (see Attaching an Ear Wire Technique), and attach it to any one “petal” on one filigree. Close the loop.

Step 2

Open one jump ring (see Opening and Closing a Jump Ring Technique). Use the jump ring to attach one flower charm to the filigree petal directly across from the ear wire. Close the jump ring.

Step 3

Open one jump ring. Skipping one petal to the right of the one attached to the flower charm in the previous step, use the jump ring to attach a second flower charm to the next petal. Close the jump ring.

Step 4

In the same manner as in Step 3, use one jump ring to attach a third flower charm on the left.

Step 5

Repeat Steps 1 – 4 for the second earring.
