- Crimping
- Opening and Closing a Jump Ring

*For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select *Beading Techniques* from the top navigation bar.*

Instructions to complete "Parfait Amour" bracelet:

Step 1

Place seven 3mm Powder Almond Swarovski crystal pearls into the slot in the 6.5x27.7mm natural brass bead pod toggle bar. Using chain nose pliers, gently push the open top of the toggle bar to hold the pearls in place.

Step 2

Using chain nose pliers, open one 8mm natural brass jump ring (see Opening and Closing a Jump Ring Technique). Place the loop on the bead pod toggle bar onto the jump ring, and close the jump ring.

Step 3

Open one 6mm jump ring. Place the jump ring through the small hole on the natural brass hammered ring, and close the jump ring.

Step 4

Place one crimp bead and the jump ring attached to the toggle bar onto a 1-foot length of beading wire. Pass the wire back through the crimp bead, and crimp the crimp bead (see Crimping Technique).

Step 5

String these beads in the following sequence onto the beading wire:

- 1 - 4mm Powder Almond pearl
- 1 - 8mm Pacific Opal crystal round
- 1 - Powder Almond pearl
- 1 - natural brass filigree bead

Repeat this sequence four times, then string one Powder Almond pearl, one Pacific Opal crystal, one last Powder Almond pearl, one crimp bead, and the jump ring attached to the hammered ring.

Step 6

Pass the wire back through the crimp bead, and crimp the crimp bead.
