- 5 - 4.75mm Natural Brass 19 Gauge Open Jump Rings by Vintaj (NB0203)
- 7.25 inches - 10mm Natural Brass Round Link Chain by Vintaj (CN4002)

Tools needed to complete the bracelet:

Round nose pliers
Chain nose pliers
Wire cutters

Beading Techniques needed to complete the bracelet:

Add a Charm to a Chain
Simple Loop

Instructions to complete “Gypsy” bracelet:

Step 1

Open one 4mm jump ring (see Add a Charm to a Chain Technique). Use the jump ring to attach the star charm to the first link of the 7.25-inch length of chain.

Step 2

Place one bead cap (cupped side away from the head) and one 6mm Olivine crystal round onto a head pin, making one unit. Turn a simple loop (see Simple Loop Technique) at the end of the head pin. Attach the loop just made to the second chain link.

Step 3

Place one bead cap (cupped side away from the head) and one 4mm Olivine crystal round onto a head pin, making one unit. Turn a simple loop at the end of the head pin. Attach the loop just made to the tail loop on the dragonfly charm.

Step 4

In the same manner as in the previous steps, use jump rings or simple loops on head pins to attach these beads and charms to the chain in the following sequence, one item per chain link:

- 1 – 4mm Emerald round bead
- 1 – sand dollar charm
- 1 – 4mm Olivine round bead
- 1 – 8mm Emerald round bead
- 1 – dragonfly charm
- 1 – 5mm Olivine round bead
- 1 – 8mm Olivine round bead
- 1 – heart key charm
- 1 – bead cap, 1 – 6mm Emerald round bead
- 1 – 5mm Olivine round bead
- 1 – filigree teardrop
- 1 – 5mm Emerald round bead
- 1 – 12mm Olivine Cosmic bead
- 1 – scarab charm
- 1 – 10mm Emerald round bead
- 1 – 5mm Olivine round bead
- 1 – dream charm
- 1 – 8mm Emerald round bead
- 1 – 6mm Olivine round bead
- 1 – key charm
- 1 – 5mm Olivine round bead

Step 5

Open two jump rings. Use one jump ring to attach the toggle bar to one end link of the chain and the other jump ring to attach the toggle ring to the other end link of the chain. Close both jump rings.
