- Crimping
- WireLace® Ribbon with a Jumbo Crimp Bead

For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select Beading Techniques from the top navigation bar.

Instructions to complete “Wicked” bracelet:

Step 1

Using wire cutters, cut a 1-foot length of beading wire and a 2-foot length of WireLace® ribbon.

Step 2

Thread the beading wire through the center of the tubular ribbon (see WireLace® Ribbon with a Jumbo Crimp Bead Technique).

Step 3

Place one crimp bead and one side of the toggle clasp onto the ribbon and beading wire. Pass the ribbon and wire back through the crimp bead, and crimp the crimp bead using Mighty crimping pliers (see Crimping Technique). Trim excess wire and ribbon with wire cutters.

Step 4

String one 8mm crystal pearl onto the beading wire inside the ribbon. Push the bead close to the clasp. Twist the ribbon into a point, and string one rondelle onto the ribbon.

Step 5

Repeat Step 4 11 times. String one more 8mm crystal pearl.

Step 6

String one crimp bead and the other side of the toggle clasp. Pass the ribbon and wire back through the crimp bead, crimp the crimp bead, and trim excess wire with wire cutters.
