Tools needed to complete the bracelet:

- Round nose pliers
- Chain nose pliers
- Wire cutters

Beading Techniques needed to complete the bracelet:

- Opening and Closing a Jump Ring
- Wire Wrapped Link
- Wire Wrapping

Instructions to complete “Mama Mia!” bracelet:

Step 1

Using a 3-inch length of wire, make a wire wrapped link (see *Wire Wrapped Link Technique*) with one 6mm Rose Water Opal crystal bicone bead. Connect one side of this wire wrapped link to the loop on one side of the toggle clasp, and complete the other side of the link without connecting it to anything.

Step 2

Using a 3-inch length of wire, make a wire wrapped link with one 6mm Rose Water Opal crystal bicone bead. Connect one side of this wire wrapped link to the unattached loop on the link from the previous step, and complete the other side of the link without connecting it to anything.

Step 3

In the same manner as in the previous steps, continue making and connecting wire wrapped links with the remaining 6mm Rose Water Opal crystal bicone beads. Connect the last link to the loop on the second side of the toggle clasp.

Step 4

Place one 4mm Mint Alabaster crystal bicone bead onto a head pin, making one unit. Wire wrap (see *Wire Wrapping Technique*) this unit to one of the loops between two 6mm Rose Water Opal crystal bicone beads.

Step 5

Repeat Step 4 twice, wire wrapping a total of three 4mm Mint Alabaster crystal bicone bead units to the same loop.

Step 6

Repeat Step 4 – 5 nine times, wire wrapping three 4mm Mint Alabaster crystal bicone bead units between every two 6mm Rose Water Opal crystal bicone beads.

Step 7

Open the jump ring on the charm (see *Opening and Closing a Jump Ring Technique*), and attach it to the loop attached to one side of the toggle clasp. Close the jump ring.
