Beading Techniques needed to complete the necklace:

Opening and Closing a Jump Ring
Simple Loop

Instructions to complete “Sassy Brassy” necklace:

Step 1

Open one 4.75mm jump ring (see Opening and Closing a Jump Ring Technique). Use the jump ring to attach one corner of one 15mm square dapped filigree to one corner of a second 15mm square dapped filigree. Close the jump ring.

Step 2

In the same manner as in the previous step, use 4.75mm jump rings to continue connecting these brass components in the following sequence:

- 1 – 15mm square dapped filigree
- 1 – 15mm square dapped filigree
- 1 – 30x12mm acorn leaves link
- 1 – 15mm square dapped filigree
- 1 – 50x27.5mm Deco diamond filigree link
- 1 “petal” of the 38mm gerbera petal filigree

Step 3

Repeat Steps 1 – 2 for the second side of the necklace, attaching the Deco diamond filigree link to the petal on the gerbera petal filigree that is three petals away from the one used previously so that the gerbera hangs symmetrically between the two sides of the necklace.

Step 4

Use one 5mm jump ring to attach the bottom of the gerbera petal filigree (between two petals) to the 55x25mm Etruscan drop filigree charm.

Step 5

Place one 4mm Garnet crystal round bead onto one head pin, making one unit. Turn a simple loop (see Simple Loop Technique) at the open end of the head pin. Attach the loop just made to one petal closest to the Etruscan drop filigree charm.

Step 6

Repeat Step 5 with the petal on the other side of the Etruscan drop filigree charm.

Step 7

Open the jump ring attached to the lobster claw and attach it to one end of the necklace. Close the jump ring.

Step 8

Open one 5mm jump ring, and use it to attach a second 5mm jump ring to the other end of the necklace. Close the jump ring.
