- Chain nose pliers
- Round nose pliers

Beading Techniques needed to complete the earrings:

- Wire Wrapping
- Wine Markers (to learn how to use beading hoops)

For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select Beading Techniques from the top navigation bar.

Instructions to complete “Just Beachy” earrings:

Step 1

Place one 4mm Swarovski crystal bicone of any color onto a 24 gauge head pin. Make a finished wire wrapped unit (see Wire Wrapping Technique).

Step 2

Repeat Step 1 with the other 49 crystals, making a total of 50 wire wrapped units.

Step 3

Place wire wrapped units onto one gold filled beading hoop in the following sequence:

- 1 - Indicolite crystal unit
- 1 - Golden Shadow crystal unit
- 1 - Khaki crystal unit
- 1 - Pacific Opal crystal unit
- 1 - Silver Shade crystal unit

Repeat the sequence four times.

Step 4

With chain nose pliers, gently bend $\frac{1}{4}$ inch of the straight end of the beading hoop at a right angle to make a hook that will latch into the eye of the beading hoop.

Step 5

Repeat Steps 3 and 4 for the second earring.
