- 38 - 24 Gauge Sterling Silver 2 Inch Head Pins (SS4004)

## **Tools needed to complete the bracelet:**

- Wire cutters
- Chain nose pliers
- Round nose pliers

## **Beading Techniques needed to complete the bracelet:**

- Add a Charm to a Chain (to learn how to open and close a jump ring)
- Wire Wrapping

*For step-by-step photos and instructions on these and other techniques, visit [FusionBeads.com](http://FusionBeads.com) and select Beading Techniques from the top navigation bar.*

**Instructions to complete "Pearlita" bracelet:**

**Step 1**

Using chain nose pliers, open one 4.8mm sterling silver jump ring (see Add a Charm to a Chain Technique). Use the jump ring to connect one side of the 12mm sterling silver toggle clasp and one end of the 6.5-inch length of 5mm sterling silver round link chain.

**Step 2**

Place one 4mm Blue Zircon Swarovski crystal bicone bead onto a 24 gauge sterling silver head pin, making one unit. Wire wrap (see Wire Wrapping Technique) the unit to the second chain link from the toggle attached in Step 1.

**Step 3**

Using chain nose pliers, open one jump ring. Use the jump ring to attach one 6mm jet AB lentil Czech pressed glass bead to the opposite side of the second chain link. Close the jump ring.

**Step 4**

Place one 8X11mm Mystic Black Swarovski crystal drop pearl onto a head pin, making one unit. Wire wrap the unit to the third chain link.

**Step 5**

Repeat Steps 2 - 4 18 times, each time alternating the sides of the chain links to which the Blue Zircon crystals and the jet AB lentils are attached.

**Step 6**

Repeat Steps 2 and 3 once more.

**Step 7**

Open one jump ring. Use the jump ring to connect the other side of the toggle clasp and the open end of the chain. Close the jump ring.
