Instructions to complete “All That Glitters” cell phone charm:

Step 1

Using wire cutters, cut the sterling silver flattened curb chain into the following lengths: one 1-inch length, one 1.5-inch length and one 2-inch length.

Step 2

Using a 6-inch length of sterling silver wire, make a wire wrapped link (see Wire Wrapped Link Technique). Make one side of the link large enough to accommodate the 20mm Crystal Vitrail Light Swarovski crystal Cosmic ring **and** one end link of all three lengths of chain from Step 1. Place the Cosmic Ring and one end of all three lengths of chain onto this side of the link, and complete this side of the link.

Step 3

Place one Aquamarine Swarovski crystal Cosmic bead onto the open end of the wire. Before completing this side of the wire wrapped link, attach the jump ring on the cell phone charm to the wire wrapped link. Complete this side of the wire wrapped link.
