Instructions to complete “Lucky Charm” cell phone charm:

Step 1

Using a 3-inch length of sterling silver wire, make a wire wrapped link (see Wire Wrapped Link Technique) with one Erinite crystal bead. Connect one side of this wire wrapped link to the jump ring attached to the cell phone charm, and complete the other side without connecting it to anything.

Step 2

Using a 3-inch length of wire, make a wire wrapped link with one Emerald crystal bead. Connect one side of this wire wrapped link to the open side of the link made in Step 1, and complete the other side without connecting it to anything.

Step 3

In the same fashion, make a wire wrapped link with one Chrysolite crystal bead. Connect one side to the open side of the link made in Step 2, and place one Erinite Swarovski crystal pendant style bead on the other side of the wire wrapped link before completing it.

Step 4

Make a wire wrapped link with one Olivine crystal bead. Connect one side to the jump ring attached to the cell phone charm, and place one sterling silver four leaf clover onto the other side of the wire wrapped link before completing it.

Step 5

Make a wire wrapped link with one Chrysolite crystal bead. Connect one side to the jump ring attached to the cell phone charm, and complete the other side without connecting it to anything.

Step 6

Make a wire wrapped link with one Peridot crystal bead. Connect one side to the open side of the link made in Step 5, and complete the other side without connecting it to anything.

Step 7

Make a wire wrapped link with one Olivine crystal bead. Connect one side to the open side of the link made in Step 6, and complete the other side without connecting it to anything.

Step 8

Make a wire wrapped link with one Emerald crystal bead. Connect one side to the open side of the link made in Step 7, and place one Erinite Swarovski crystal pendant style bead on the other side of the link before completing it.
