Beading Techniques needed to complete the earrings:

Wire Wrapping
Attaching an Ear Wire
Cutting Chain Efficiently

For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select Beading Techniques from the top navigation bar.

Instructions to complete “Enchanted Evening” earrings:

Step 1

Using wire cutters, cut two 2-inch lengths of gold-filled open cable chain (see Cutting Chain Efficiently Technique).

Step 2

Using chain nose pliers, open one gold-filled ear wire (see Attaching an Ear Wire Technique). Place one end of one length of chain onto the ear wire, and close the ear wire.

Step 3

Place one 3mm gold plated beaded heishi, one 4mm heishi, and one 4mm Olivine Swarovski crystal round bead onto a head pin, making one unit. Moving down the chain from the ear wire, wire wrap (see Wire Wrapping Technique) this unit to the first chain link.

Step 4

Repeat Step 3, wire wrapping the unit to the opposite side of the chain link used in Step 3.

Step 5

Repeat Steps 3 and 4 a total of 11 times, wire wrapping two heishi and Olivine crystal units to each chain link, one on each side of each chain link.

Step 6

Repeat Steps 3 and 4 once more, wire wrapping one unit to the last chain link.

Step 7

Repeat Steps 2 - 7 for the second earring.
