Chain nose pliers

Beading Techniques needed to complete the earrings:

Opening and Closing a Jump Ring
Attaching an Ear Wire

*For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select *Beading Techniques* from the top navigation bar.*

Instructions to complete “Off the Grid” earrings:

Step 1

Using chain nose pliers, open one 4mm jump ring (see Opening and Closing a Jump Ring Technique). Use the jump ring to connect one corner ring of one sterling silver square ring link and the inner loop of one silver flat circle component with loops. Close the jump ring.

Step 2

Open a second jump ring. Use the jump ring to connect the corner ring directly opposite the one used in Step 1 of the square ring link and the top outer loop of one silver flat marquise component with loops. Close the jump ring.

Step 3

Open a third jump ring. Use the jump ring to connect one corner ring of one sterling silver open diamond ring link and the inner loop of the marquise component from Step 2. Close the jump ring.

Step 4

Open a fourth jump ring. Use the jump ring to connect the corner ring directly opposite the one used in Step 3 of the diamond ring link and one 10mm Hyacinth Swarovski crystal rhodium flower charm. Close the jump ring.

Step 5

Using chain nose pliers, open the loop on one ear wire (see Attaching an Ear Wire Technique). Place the top outer loop of the flat circle component onto the ear wire, and close the ear wire.

Step 6

Repeat Steps 1 - 5 for the second earring.
