Beading Techniques needed to complete the ring:

- Wire Wrapping
- Wire Wrapped Triangle Bail

For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select Beading Techniques from the top navigation bar.

Instructions to complete “Love Bears All Rings” ring:

Step 1

Using a 3-inch length of sterling silver wire, begin to form a wire wrapped bail (see Wire Wrapped Triangle Bail Technique) with one Rose Swarovski crystal heart pendant style bead, stopping at Step 10 in the Technique.

Step 2

Place one 4mm Siam crystal onto the open end of the wire, attach the wire wrapped triangle bail to the middle loop on the sterling silver scroll ring, and complete the wire wrapped triangle bail.

Step 3

Place one 4mm crystal onto a head pin, creating one unit. Wire wrap (see Wire Wrapping Technique) this unit to the first loop on the scroll ring.

Step 4

Repeat Step 3 nine times, wire wrapping a total of 10 crystal and head pin units (two units of each crystal color) to the first loop on the scroll ring.

Step 5

Repeat Step 3 10 times, wire wrapping a total of 10 crystal and head pin units (two units of each crystal color) to the third loop on the scroll ring.
