**Instructions to complete “Honey Drop” necklace:**

**Step 1**

Using a 6-inch length of wire, begin to form a wire wrapped triangle bail (see Wire Wrapped Triangle Bail Technique) with the pear-shaped pendant. After Step 11 of the Technique, string one 8mm Padparadscha round bead onto the wire. Then complete the wire wrapped loop, attaching the loop to the middle link of the chain.

**Step 2**

Open the 7mm jump ring (see Opening and Closing a Jump Ring Technique). Use the jump ring to attach the crystal star pendant to the chain, three links from the pendant. Close the jump ring.

**Step 3**

Open one 3.3mm jump ring, and use it to attach the lobster claw clasp to one end of the chain. Close the jump ring.

**Step 4**

Use the second 3.3mm jump ring to attach the closed jump ring to the other end of the chain.
