- Opening and Closing a Jump Ring
- Wire Wrapping

*For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select *Beading Techniques* from the top navigation bar.*

Instructions to complete “Silverstroke” earrings:

Step 1

Using chain nose pliers, open one 4mm sterling silver jump ring (see Opening and Closing a Jump Ring Technique). Place one hole of one 10mm Crystal Rivoli sew-on stone onto the jump ring, and close the jump ring.

Step 2

Open one 4mm jump ring. Use the jump ring to connect the jump ring attached to the Rivoli in Step 1 to the loop on one sterling silver ear wire. Close the jump ring.

Step 3

Open one 6mm jump ring. Use the jump ring to connect the other hole of the Rivoli attached in Steps 1 and 2 to the hole on the tip of the 18x10.5mm crystal teardrop sew-on stone. Close the jump ring.

Step 4

Place one 8mm Crystal CAL crystal round bead onto a head pin, making one unit. Wire wrap (see Wire Wrapping Technique) this unit to the bottom hole of the crystal teardrop sew-on stone attached in Step 3.

Step 5

Repeat Steps 1 - 4 for the second earring.
