Wire Wrapping

*For step-by-step photos and instructions on these and other techniques, visit [FusionBeads.com](http://FusionBeads.com) and select Beading Techniques from the top navigation bar.*

**Instructions to complete “White Christmas” bracelet:**

**Step 1**

Using chain nose pliers, open one 4.3mm jump ring (see Opening and Closing a Jump Ring Technique). Use the jump ring to connect the loop on one sterling silver wrapped present charm to the silver bangle bracelet. Close the jump ring.

**Step 2**

Place one white star pressed glass bead onto a head pin, making one unit. Wire wrap (see Wire Wrapping Technique) this unit to the bangle bracelet.

**Step 3**

Open one 5mm jump ring. Use the jump ring to attach one crystal matte AB lentil pressed glass bead to the bangle bracelet, and close the jump ring.

**Step 4**

Place one crystal AB bicone pressed glass bead onto a head pin, and wire wrap this unit to the bangle bracelet.

**Step 5**

Repeat Steps 1 – 4 twice, replacing the present charm with each of the two remaining charms.
