Jewel Setter or tweezers

Beading Techniques needed to complete the ornament:

Gluing Flat Back Rhinestones

For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select Beading Techniques from the top navigation bar.

Instructions to complete “Christmas Time is Here!” ornament:

Tip

Gem-Tac permanent adhesive is thick and messy. An easy way to use it is to squeeze a small amount onto a piece of scrap paper, and use the head of a head pin or other small, flat object as an applicator. This method will help control the amount of glue applied to the surface.

Step 1

Place a small dot of Gem-Tac permanent adhesive onto one glass ornament. Using a Jewel Setter or tweezers, gently place one flat back rhinestone of your choice onto the glue, and allow the glue to dry (see Gluing Flat Back Rhinestones Technique).

Step 2

Repeat Step 1 until you have adhered all of the flat back rhinestones. Create a pattern of your choice, or place them randomly as pictured.
