Wire cutters

Beading Techniques needed to complete the hair comb:

Twisting Wire

For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select Beading Techniques from the top navigation bar.

Instructions to complete “Always and Forever” hair comb:

Step 1

Using about 5 feet of wire, embellish the hair comb with the crystal beads and pearls (see Twisted Wire Technique), staggering the heights of the embellishments. The beads shown in the photo were placed randomly. The 3mm beads and pearls can be used individually or in clusters of three. Trim the wire.
