Crimp Bead Covers
Wire Wrapping

For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select Beading Techniques from the top navigation bar.

Instructions to complete "Rainbow Sherbet" necklace:

Step 1

String one crimp bead and the bar side of the toggle clasp onto the beading wire. Pass the beading wire back through the crimp bead, and crimp the crimp bead (see Crimping Technique).

Step 2

Cover the crimp bead with a crimp bead cover (see Crimp Bead Covers Technique), and trim excess wire with wire cutters.

Step 3

String these beads in the following sequence onto the beading wire:

- 1 - 4mm Rose crystal bicone bead
- 1 - tube bead
- 1 - 4mm Tangerine crystal bicone bead
- 1 - tube bead
- 1 - 4mm Citrine crystal bicone bead
- 1 - tube bead

Repeat the sequence six times, omitting the last tube bead from the last sequence.

Step 4

String one crimp bead and the ring side of the toggle clasp. Pass the wire back through the crimp bead, crimp the crimp bead, cover with a crimp cover, and trim excess wire with wire cutters.

Step 5

Place one 4mm Rose crystal bicone bead onto a head pin, making one unit. Wire wrap (see Wire Wrapping Technique) this unit to the toggle clasp ring.

Step 6

Repeat Step 5 five times with the remaining crystal bicone beads and crystal round bead, wire wrapping all the beads to the toggle ring randomly.
