Step 1

Place one 8mm Jet cube bead onto a head pin, making one unit. Make a wire wrapped loop (see Wire Wrapping Technique) on the open end of the head pin without connecting it to anything.

Step 2

Repeat Step 1 17 times, making the following wire wrapped bead units using one bead each:

Open the jump ring (see Opening and Closing a Jump Ring Technique), and attach it to the loop on the ceramic charm. Close the jump ring.

Step 4

Place one crimp bead and one side of the toggle clasp onto a 10-inch length of beading wire. Pass the wire back through the crimp bead, and crimp the crimp bead (see Crimping Technique).
