Instructions to complete "Modern Girl" earrings:

Step 1

Cut the chain into the following lengths (see Cutting Chain Efficiently Technique):

2 – 1.75" lengths

2 – 2" lengths

2 – 2.5" lengths

2 – 3.75" lengths

Set aside one of each length for the second earring.

Step 2

Orient one bubble connector so that two points of the triangle point up and one points down. Open two jump rings (see Opening and Closing a Jump Ring Technique). Use one jump ring to attach each end link of one 2-inch length of chain to the openings at the two upper triangle points. Close each jump ring.

Step 3

Open the loop on one ear wire (see Attaching an Ear Wire Technique), and attach it to the middle link of the chain used in the previous step. Close the loop.

Step 4

Open two jump rings. Use one jump ring to attach one end link of one 1.75-inch length of chain to the opening to the right of the lower triangle point. Use the second jump ring to attach the other end link of chain to the opening to the left of the lower triangle point. Close both jump rings.

Step 5

In the same manner as in Step 4, use two jump rings to attach one 2.5-inch length of chain to the two openings on either side of the openings used in Step 4.

Step 6

In the same manner as in Step 4, use two jump rings to attach one 3.75-inch length of chain to the same two openings used in Step 2.

Step 7

Repeat Steps 2 - 6 for the second earring.
