Tools needed to complete the necklace:

Round nose pliers
Chain nose pliers
Wire cutters

Beading Techniques needed to complete the necklace:

Opening and Closing a Jump Ring
Simple Loop

For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select Beading Techniques from the top navigation bar.

Instructions to complete "Honeycomb" necklace:

Step 1

Using wire cutters, cut the chain into two 7-inch lengths.

Step 2

Place the 14mm smoked topaz hexagon bead onto one eye pin, making one unit. Turn a simple loop (see Simple Loop Technique) at the open end of the eye pin. Attach the loop just made to one end link of one 7-inch length of chain.

Step 3

In the same manner as in the previous step, make a simple loop link using the 14mm topaz hexagon bead. Attach one side of the link to the unattached loop on the link from Step 2.

Step 4

In the same manner as in the previous step, make a simple loop link using the light Colorado topaz hexagon bead. Attach one side of the link to the unattached loop on the link from Step 3, and attach the other side of the link to one end link of second 7-inch length of chain.

Step 5

Open one 4.8mm jump ring (see Opening and Closing a Jump Ring Technique). Use the jump ring to attach the drop bead to the loop on the smoked topaz link attached to the chain. Close the jump ring.

Step 6

Open the second 4.8mm jump ring. Use the jump ring to attach the bee charm to the jump ring used in Step 5. Close the jump ring.

Step 7

Open two 4mm jump rings. Use one jump ring to attach the loop on the lobster claw to one end of the necklace. Attach the other jump ring to the other end of the necklace. Close both jump rings.
