## **Instructions to complete "Bellaflor" bracelet:**

### **Step 1**

Using scissors, cut the Stretch Magic cord into three 12-inch lengths.

### **Tip**

*The strands of this triple-strand bracelet are separated by three 3-hole spacers. Imagine that the spacer holes are numbered from 1 - 3. Imagine also that the cord strands are correspondingly numbered from 1 - 3.*

### **Step 2**

Strand 1: String the following onto one length of Stretch Magic cord:

3 – 10mm jet fire polished beads  
hole 1 of spacer 1  
6 – 10mm jet fire polished beads  
hole 1 of spacer 2  
6 – 10mm jet fire polished beads  
hole 1 of spacer 3  
3 – 10mm jet fire polished beads

Slide the opposite end of the cord through the crimp bead so that the ends of the cord are facing each other (see Crimping Stretch Magic Technique). Crimp the crimp bead with chain nose pliers.

### **Step 3**

Strand 2: In the same manner as in Step 2, repeat the same stringing sequence, substituting hole 2 in each of the spacers.

### **Step 4**

Strand 3: In the same manner as in Step 2, repeat the same stringing sequence, substituting hole 3 in each of the spacers.

### **Step 5**

Place the following onto the head pin, making one unit:

1 – 4mm Jet crystal round bead  
1 – 3.5x17mm matte bright ripe cantaloupe flower Lucite bead  
1 – 3.5x17mm matte jet 5 petal flower Lucite bead (stagger the petals so that they are visible under the previous bead)  
1 – 8x26mm matte dark cranberry Lucite buttercup flower bead  
1 - 11x35mm Matte Poppy Red Lucite Buttercup Flower Bead

Wire wrap (see Wire Wrapping Technique) this unit to the cord of strand 2 just next to spacer 2.
