Beading Techniques needed to complete the bracelet:

Crimping
Crimp Bead Covers

For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select Beading Techniques from the top navigation bar.

Instructions to complete "Milk and Honey" bracelet:

Step 1

Place one crimp bead and one side of the toggle clasp onto a 10-inch length of beading wire. Pass the wire back through the crimp bead, and crimp the crimp bead (see Crimping Technique). Trim excess wire with wire cutters.

Step 2

Cover the crimp bead with a crimp bead cover (see Crimp Bead Covers Technique), and trim excess wire with wire cutters.

Step 3

String these beads in the following sequence onto the beading wire:

- 1 - 6mm Jonquil crystal round bead
- 1 - 8mm White Opal crystal round bead
- 1 - 10mm Sunflower crystal round bead
- 1 - 6mm Light Topaz crystal round bead
- 1 - 8mm White Alabaster crystal round bead

Repeat the sequence four times.

Step 4

String one crimp bead and the other side of the clasp onto the beading wire. Pass the wire back through the crimp bead, and crimp the crimp bead. Cover the crimp with a crimp bead cover, and trim excess wire with wire cutters.
