- Wire cutters

Beading Techniques needed to complete the earrings:

- Wire Wrapping
- Simple Loop

For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select Beading Techniques from the top navigation bar.

Instructions to complete “Wreathed in Joy” earrings:

Step 1

String these beads in the following sequence onto one beading hoop:

1 – 4mm Siam crystal round bead

3 – 6mm Dark Moss Green crystal bicone pendants

Repeat the sequence four times, adding one 6mm Dark Moss Green crystal bicone pendant after the last repeat.

Step 2

Turn a simple loop (see Simple Loop Technique) on the open end of the beading hoop, taking care to turn the loop so that it is on the same plane as the existing loop.

Tip

In the following step, one loop on the beading hoop will slide over the second loop so that the two loops are stacked together.

Step 3

Place one 5mm Dark Moss Green crystal bicone bead, the two loops on the beading hoop, and one 5mm Dark Moss Green crystal bicone bead onto one head pin, making one unit. Wire wrap (see Wire Wrapping Technique) this unit to the loop on one ear wire.

Step 4

Repeat Steps 1 – 3 for the second earring.
