- Chain nose pliers
- Wire cutters

Beading Techniques needed to complete the earrings:

- Attaching an Ear Wire
- Simple Loop

For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select Beading Techniques from the top navigation bar.

Instructions to complete “Orbit” earrings:

Step 1

Place one 6mm smoked topaz flat disc bead onto one head pin, making one unit. Turn a simple loop (see Simple Loop Technique) at the open end of the head pin. Attach the loop just made to the loop on one closed jump ring.

Step 2

In the same manner as in Step 1, use simple loops on head pins to attach these beads to the same jump ring in the following sequence:

1 – 9mm matte dark purple flat disc bead

1 – 12mm Montana blue disc bead

Step 3

Open the loop on one ear wire (see Attaching an Ear Wire Technique), and attach it to the closed jump ring. Close the loop.

Step 4

Repeat Steps 1 – 3 for the second earring, reversing the direction of the ear wire to make a symmetrical pair.
