Instructions to complete “Star of the Party” bracelet:

Step 1

Color the front side of each filigree link with the acrylic paint dabber (see Coloring Filigree With Glitter and Acrylic Paint Dabbers Technique). Sprinkle glitter onto the wet paint. Allow the paint to dry.

Step 2

Use a small brush to apply the Diamond Glaze to the painted side of the filigree links.

Step 3

Using a 3-inch length of wire, make a wire wrapped link (see Wire Wrapped Link Technique) with one 6mm Capri Blue AB crystal round bead. Attach one side of this wire wrapped link to the loop on one side of the toggle clasp, and attach the other side of the link to one side of one filigree link.

Step 4

In the same manner as in the previous step, continue making wire wrapped links using one bead per link and connecting these items in the sequence listed below. Each wire wrapped link connects to the link listed directly before and directly after it:

1 – 6mm Capri Blue round bead

1 – filigree link

1 – 6mm Capri Blue round bead

1 – filigree link

1 – 6mm Capri Blue round bead

1 – filigree link

loop on the second side of the toggle clasp
