Wire Wrapped Link
Gluing Swarovski Elements Crystal Rivoli Stones into a Rivoli Component

For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select Beading Techniques from the top navigation bar.

Instructions to complete "Vitrail Princess" bracelet:

Step 1

Using 5 Minute Epoxy, adhere one crystal Rivoli stone to one Rivoli link (see Gluing Swarovski Elements Crystal Rivoli Stones into a Rivoli Component Technique).

Step 2

Repeat Step 1 with each of the three remaining Rivoli stones.

Step 3

Using a 2-inch length of wire, make a wire wrapped link (see Wire Wrapped Link Technique) with one crystal Twist bead. Connect one side of this wire wrapped link to the loop on one side of the toggle clasp, and connect the other side of the link to one loop on one Rivoli link.

Step 4

Using a 2-inch length of wire, make a wire wrapped link with one crystal Twist bead. Connect one side of this wire wrapped link to the second loop on the same Rivoli link used in the previous step, and connect the other side of the link to one loop on a second Rivoli link.

Step 5

In the same manner as in the previous steps, continue connecting these items in the following sequence. Each item connects to the one listed directly before and directly after it:

1 - Twist bead link

1 - Rivoli link

1 - Twist bead link

1 - Rivoli link

1 - Twist bead link

the loop on the other side of the toggle clasp
