Tools needed to complete the necklace:

- Chain nose pliers
- Wire cutters

Beading Techniques needed to complete the necklace:

Opening and Closing a Jump Ring

For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select Beading Techniques from the top navigation bar.

Instructions to complete "Gooseberry" necklace:

Step 1

Using wire cutters, cut a 16-inch length of chain.

Step 2

Place one end of the 17-inch length of chain into one crimp end cap. Using the tips of chain nose pliers, gently squeeze the barrel of the crimp end cap around the chain. Tug the chain to check that it is secure; if not, squeeze the barrel more firmly.

Step 3

Slide the chessboard bead onto the chain, and repeat Step 2 with the other end of the chain and the other side of the crimp end cap.

Step 4

Open two 5.8mm jump rings. Use one jump ring to attach the spring ring to the loop on one crimp end cap. Attach the other jump ring to the loop on the other crimp end cap. Close both jump rings.
