Instructions to complete “Scarlet Heart” earrings:

Tip

A heart pendant is sandwiched between two filigree links and without any other attachment. To keep the two links from separating, make as small a loop as possible in Step 1.

Step 1

Hold two filigree links together, back to back. Place one 8mm Crystal Red Magma crystal bicone bead onto a head pin. Wire wrap (see Wire Wrapping Technique) this unit to both lower loops.

Step 2

Separate the two filigree links slightly, and place one crystal Xilion heart pendant between them.

Step 3

Open the loop on one ear wire (see Attaching an Ear Wire Technique), and attach it to both upper loops in the filigree links. Close the loop.

Step 4

Repeat Steps 1 – 3 for the second earring.
