Instructions to complete “Autumn Kiss” earrings:

Step 1

String a random mix of eight seed beads onto one eye pin. Turn a loop (see Simple Loop Technique) at the open end of the head pin. Attach the loop just made to the loop on one eye pin.

Step 2

In the same manner as in the previous step, use simple loops and head pins to attach seed beads in the following quantities to the same eye pin loop:

16 – seed beads

14 – seed beads

Step 3

Place one crystal round bead onto the eye pin from the previous steps, making one unit. Turn a simple loop at the open end of the head pin. Attach the loop just made to the loop on one ear wire.

Step 4

Repeat Steps 1 – 3 for the second earring, reversing the direction of the ear wire to make a symmetrical pair.
