## Instructions to complete "A Night to Remember" necklace:

### **Tip**

*This necklace looks complicated, but it's actually very easy to assemble! Begin by making the individual teal teardrop bead units on head pins and teal oval bead units on eye pins with simple loops. One side of the necklace is strung on double strands of beading wire. The two strands are separated and then strung with beads and the teardrop and oval units you made first. The teal oval beads on eye pins connect the middle section of the two strands together. Then the two strands are strung together again for the second side of the necklace.*

### **Step 1**

Place one teal teardrop bead onto one head pin. Turn a simple loop (see Simple Loop Technique) at the open end of the head pin.

### **Step 2**

Repeat Step 1 15 times, making a total of 16 units. Set aside all units for future steps.

### **Step 3**

Place one teal silver foiled oblong oval bead onto one eye pin. Turn a simple loop at the open end of the eye pin, ensuring that the loop is on the same plane as the eye pin loop.

### **Step 4**

Repeat Step 3 17 times, making a total of 18 units. Set aside all units for future steps.

### **Step 5**

Using wire cutters, cut the beading wire into two 22-inch lengths.

### **Step 6**

String one crimp bead and the loop on one side of the toggle clasp onto both strands of beading wire. Pass the beading wire strands back through the crimp bead, and crimp the crimp bead (see Crimping Technique).

### **Step 7**

Cover the crimp bead with a crimp bead cover (see Crimp Bead Covers Technique), and trim excess wire with wire cutters.

### **Step 8**

String these beads in the following sequence onto both strands of beading wire:

3 - 6mm fuchsia fire polished glass beads

1 - heishi spacer

Repeat the sequence above 7 times, then string:

1 - teal fire polished rondelle

1 - heishi spacer

1 - 8mm fuchsia fire polished glass bead

### **Step 9**

Separate the two beading wire strands. String the following on one strand:

1 - teal silver foiled oblong oval bead

1 - loop on 1 teal silver foiled oblong oval bead unit

1 - 8mm fuchsia fire polished glass bead

\*1 - loop on 1 teal silver foiled oblong oval bead unit

Bring the two beading wire strands together again, and reverse the stringing sequence from Step 8 onto both strands.
