**Instructions to complete “Fang You Very Much” necklace:**

**Step 1**

Using wire cutters, cut the gunmetal oval cable chain into two 7.5-inch lengths.

**Step 2**

Open the 5mm jump ring (see Opening and Closing a Jump Ring). Use the jump ring to attach the 8mm Light Siam mini pear-shaped pendant to one end link of the 5/8-inch length of silver double link cable chain. Close the jump ring.

**Step 3**

Using a 5-inch length of wire, make a wire wrapped loop (see Wire Wrapped Link Technique) on one end of the wire, attaching the loop to one end link of one 7.5-inch length of gunmetal chain. String these items in the following sequence onto the wire:

- 1 – 28mm Aquiline bead (curving away from the wire wrap)
- the unattached end link of the 5/8-inch length of silver double link cable chain
- 2 – 18mm Aquiline beads (curving away from the previous bead)
- 2 – 18mm Aquiline beads (curving toward the previous beads)
- 1 – 28mm Aquiline bead (curving toward the previous beads)

Attach the second side of the wire wrapped link to one end link of the second 7.5-inch length of gunmetal chain.

**Step 4**

Open the 6mm jump ring, and use it to attach the lobster claw to one end of the necklace. Close the jump ring.
