- 1 - 24x16.5mm Gunmetal Plated Pewter Twisted Round 3 to 1 Rivoli Chandelier Link by TierraCast® (MP2043)
- 17 inches - 4.3mm Gunmetal Plated Base Metal Figure-8 Chain (CN4033)
- 1 - 15x9mm Gunmetal Plated Base Metal Lobster Claw Clasp (BM3153)
- 10 - 6mm Gunmetal Plated Base Metal 20 Gauge Open Jump Rings (BM2766)
- 6 - 22 gauge 1 inch Gunmetal Plated Base Metal Eye Pins (BM2654)

## **Tools needed to complete the necklace:**

- Round nose pliers
- Chain nose pliers
- Wire cutters
- Hypo Tube Cement (TL1202)

## **Beading Techniques needed to complete the necklace:**

- Opening and Closing a Jump Ring
- Cutting Chain Efficiently
- Simple Loop
- Gluing Swarovski Elements Crystal Rivoli Stones into a Rivoli Component

*For step-by-step photos and instructions on these and other techniques, visit [FusionBeads.com](http://FusionBeads.com) and select Beading Techniques from the top navigation bar.*

## **Instructions to complete “Spellbinding” necklace:**

### **Step 1**

Using Hypo Tube Cement, adhere the crystal Rivoli stone to the Rivoli chandelier link (see Gluing Swarovski Elements Crystal Rivoli Stones into a Rivoli Component Technique).

### **Step 2**

The double figure-8 chain is made of two large links alternating with one small figure-8 link. Cut the chain into the following lengths (see Cutting Chain Efficiently Technique) so that each chain length begins and ends with two large links:

6 – 1” lengths

2 – 4” length

### **Step 3**

Place one 6mm Crystal Silver Night crystal bicone bead onto one eye pin, making one unit. Turn a simple loop (see Simple Loop Technique) at the open end of the eye pin. Attach the loop just made to one end link of one 4-inch length of chain.

### **Step 4**

Open the unattached loop on the unit from Step 3, and attach it to one end link of one 1-inch length of chain. Close the loop.

### **Step 5**

In the same manner as in Steps 3 – 4, continue making simple loop links and connecting them to chain lengths in the following sequence. Each link or chain length connects to the one listed directly before and directly after it:

1 – 6mm Crystal Silver Night bicone bead

1 – 1” length of chain

1 – 6mm Crystal Silver Night bicone bead

1 – 1” length of chain

### **Step 6**

Open one jump ring (see Opening and Closing a Jump Ring Technique). Use the jump ring to attach the unattached end link on the last 1-inch length of chain from Step 5 to the single loop on the 3 to 1 rivoli chandelier link. Close the jump ring.

### **Step 7**

Repeat Steps 3 – 6 for the other side of the necklace.

### **Step 8**

Imagine that the three loops on the three-loop side of the chandelier link are labeled from 1 – 3 from left to right. Open one jump ring, and use it to attach the 8mm Light Siam mini pear-shaped pendant to loop 1. Close the jump ring.

### **Step 9**

In the same manner as in the previous step, use jump rings to attach the following charms and pendants to the specified loops on the chandelier link:

loop 1: fleur de lis charm

loop 2: 16mm Crystal Silver Night pear-shaped pendant, wing charm, 11mm Light Siam pendant

loop 3: sacred heart milagro charm, 11mm Crystal Silver Night pendant

### **Step 10**

Open one jump ring, and use it to attach the loop on the lobster claw to one side of the necklace. Close the jump ring.
