Instructions to complete “Toil and Trouble” bracelet:

Step 1

Thread a needle with 5 feet of beading thread (add new thread as needed), leaving a 12-inch tail. Using flat peyote stitch (see Flat Peyote Stitch – Even Count Technique), weave the pattern by following the graph below. (Extend or shorten the plum section on either end to change the length as needed.)

Graph made with Beader's Canvas software (BK2597)

Step 2

When the bracelet reaches the desired length, weave the needle through beads until it exits the third bead on the last row. String three plum Delica beads, one gold Delica bead and 22 plum Delica beads. Pass back through the first four beads, forming a loop (see Flat Peyote Clasp – Option 2). Reinforce this loop at least three times.

Step 3

Weave the needle through beads until it exits the 15th bead on the last row. In the same manner as in the previous step, make a second loop and reinforce. Weave back down through a few rows, and use a Perfect End Thread Burner to burn the end of the thread (see Perfect End Thread Burner Technique).

Step 4

Thread the needle onto the tail you left behind at the other end of the bracelet, and weave through beads to the third bead in the first row (to align with the placement of the loop made in Step 2). String three plum Delica beads, one gold Delica bead, one crystal round bead, and one gold Delica bead. Pass back through the crystal bead and the four Delica beads.

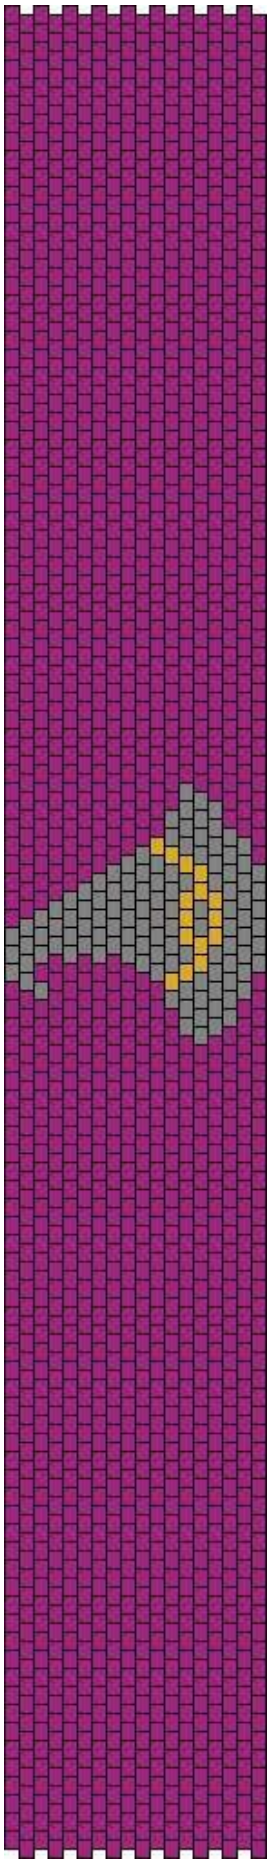

Step 5

Weave the needle through beads until it exits the 15th bead on the row. In the same manner as in Step 4, attach a second crystal round bead to align with the second loop made in Step 3.

Step 6

Weave back through a few rows of the bracelet, and use a thread burner to burn the end of the thread.
