- 4 - 7mm Gold-Filled 18 Gauge Open Jump Rings (GF2732)

## **Tools needed to complete the bracelet:**

Chain nose pliers

## **Beading Techniques needed to complete the bracelet:**

Opening and Closing a Jump Ring

*For step-by-step photos and instructions on these and other techniques, visit [FusionBeads.com](http://FusionBeads.com) and select Beading Techniques from the top navigation bar.*

## **Instructions to complete “Modern Edge” bracelet:**

### **Step 1**

Open two 7mm jump rings (see Opening and Closing a Jump Ring Technique). Arrange the two triangle sew-on stones on the work surface so that one edge of one triangle is parallel to one edge of the other. Use the two jump rings to connect the sew-on stones at the four aligned holes.

### **Step 2**

Open one 7mm jump ring, and use it to connect one remaining hole in one triangle sew-on stone to one hole in one rectangle sew-on stone. Close the jump ring.

### **Step 3**

Open one 6mm jump ring, and use it to connect the second hole in the rectangle sew-on stone from the previous step to one hole in a second rectangle sew-on stone. Close the jump ring.

### **Step 4**

Repeat Step 3 with a third rectangle sew-on stone.

### **Step 5**

Open one 6mm jump ring, and attach it the loop on the bar side of the toggle clasp. Close the jump ring.

### **Step 6**

Open one 6mm jump ring, and use it to attach the jump ring on the clasp to the unattached hole in the third rectangle sew-on stone from Step 4. Close the jump ring.

### **Step 7**

Repeat Steps 2 – 4 on the other side of the bracelet.

### **Step 8**

Open one 6mm jump ring, and use it to attach the loop on the second side of the clasp to the unattached hole in the last rectangle sew-on stone. Close the jump ring.
