Crimping
Crimp Bead Covers

For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select Beading Techniques from the top navigation bar.

Instructions to complete "Nina Simone" bracelet:

Step 1

Using wire cutters, cut the beading wire into two 9-inch lengths.

Step 2

Place one crimp bead and one loop on one side of the tube bar clasp onto one length of beading wire. Pass the wire back through the crimp bead, and crimp the crimp bead (see Crimping Technique).

Step 3

Cover the crimp bead with a crimp cover (see Crimp Bead Covers Technique), and trim excess wire with wire cutters.

Step 4

Repeat Steps 2 - 3 twice, attaching the second length of beading wire to the second loop on the same side of the tube bar clasp used in the previous steps.

Step 5

String one 4mm Crystal Silver Night round bead onto each strand of beading wire.

Step 6

String one hole of one 8mm Jet double hole square bead onto one strand of beading wire, and the second hole onto the second strand.

Step 7

Repeat Steps 5 - 6 15 times, then repeat Step 5 once.

Step 8

String one crimp bead and the corresponding loop on the other side of the clasp onto the first strand of beading wire. Pass the wire back through the crimp bead, and crimp the crimp bead. Cover the crimp with a crimp bead cover, and trim excess wire with wire cutters.

Step 9

Repeat Step 8 with the second strand of beading wire and the corresponding loop on the other side of the clasp.
