- Simple Loop
- Beading Around a Bead

For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select Beading Techniques from the top navigation bar.

Instructions to complete "Nutmeg" earrings:

Step 1

Thread a needle with 4 feet of beading thread. Using the seed bead mix and one wood bead, make one beaded bead, using 11 beads for row 1, 9 beads for row 2 and 7 beads for row 3 (see Beading Around a Bead Technique).

Step 2

Repeat Step 1 once, making a total of two beaded beads.

Step 3

Place one crystal round bead onto one head pin, making one unit. Turn a simple loop (see Simple Loop Technique) at the open end of the head pin. Attach the loop just made to the loop on one eye pin.

Step 4

Place one beaded bead onto the eye pin from Step 3. Turn a simple loop at the open end of the eye pin. Attach the loop just made to the loop on one French hoop.

Step 5

Repeat Steps 3 - 4 for the second earring.
