Tools needed to complete the necklace:

- Chain nose pliers
- Wire cutters

Beading Techniques needed to complete the necklace:

- Opening and Closing a Jump Ring
- Crimping Beads onto Beading Wire
- Attaching a Cord End - Style 4

Instructions to complete “Delicate Pearl” necklace:

Step 1

Using wire cutters, cut three 19-inch lengths of beading chain.

Step 2

Attach one beading chain end to one end of one chain length (see Attaching a Cord End - Style 4 Technique).

Step 3

String one crimp bead onto the chain. Using chain nose pliers, crimp it 2 inches from the chain end (see Crimping Beads onto Beading Wire Technique). String one 6mm Cream pearl and one crimp bead, pull them to the previous crimp bead, and crimp the crimp bead.

Step 4

In the same manner as in the previous step, string these beads in the following sequence with a crimp bead crimped on either side of each bead to secure it in place; allow the specified lengths of space in the chain between beads:

Step 5

In the same manner as in Step 2, attach a chain end to the end of the chain.

Step 6

In the same manner as in Steps 2 – 5, string these beads in the following sequence onto strands 2 and 3 with a crimp bead crimped on either side of each bead to secure it; allow the specified lengths of space in the chain between beads:

Strand 2:

Step 7

Open one jump ring (see Opening and Closing a Jump Ring Technique). Use the jump ring to attach the chain end on one end of each of the three strands to the loop on one side of the clasp. Close the jump ring.

Step 8

Braid the three strands together loosely.

Step 9

Repeat Step 7 with the three remaining chain ends and the second side of the clasp.
