- Opening and Closing a Jump Ring
- Simple Loop
- Right Angle Weave Bead

*For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select *Beading Techniques* from the top navigation bar.*

Instructions to complete “Turquoise Waters” earrings:

Step 1

Using a 3-foot length of beading thread and 12 4mm Turquoise AB crystal bicone beads, make a right angle weave bead (see Right Angle Weave Bead Technique).

Step 2

In the same manner as in the previous step, make three more right angle weave beads – one more with 4mm Turquoise AB bicone beads, and two with 6mm Turquoise AB bicone beads.

Step 3

Place one beaded bead made with 6mm bicone beads onto an eye pin, making one unit. Turn a simple loop (see Simple Loop Technique) at the open end of the eye pin. Attach the loop just made to the loop on one ear wire.

Step 4

Place one beaded bead made with 4mm bicone beads onto an eye pin, making one unit. Turn a simple loop at the open end of the eye pin. Attach the loop just made to the unattached loop on the unit from the previous step.

Step 5

Open one jump ring (see Opening and Closing a Jump Ring Technique). Use the jump ring to attach one crystal pendant to the unattached loop on the unit from the previous step. Close the jump ring.

Step 6

Repeat Steps 1 – 5 for the second earring.
