- 2 – 4mm Bright Gold crystal pearls
- 2 – 4mm Light Green crystal pearls
- 2 – 4mm Petrol crystal pearls
- 2 – 4mm Dark Purple crystal pearls

Step 3

Open the existing loop on the beading hoop, and attach it to the jump ring from Step 1. Close the loop.

Step 4

Turn a simple loop (see Simple Loop Technique) on the other end of the beading hoop, taking care to turn the loop so that it is on the same plane as the existing loop. Attach the loop to the opposite side of the jump ring. Close the loop.

Step 5

Open one jump ring, and use it to attach one crystal pendant to the jump ring from Step 1 so that the pendant dangles in the center of the beading hoop. Close the jump ring.

Step 6

Repeat Steps 1 – 5 for the second earring.
