- Wire cutters

Beading Techniques needed to complete the earrings:

- Wire Wrapped Link
- Wire Wrapping

*For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select *Beading Techniques* from the top navigation bar.*

Instructions to complete “Pretty Lady” earrings:

Step 1

Using a 2-inch length of wire, make a wire wrapped link (see *Wire Wrapped Link Technique*) with one 6mm Fuchsia crystal bicone bead. Attach one side of this wire wrapped link to the loop on one ear wire. Attach the other side of this link to the top loop on one filigree drop.

Step 2

Using a 2-inch length of wire, make a wire wrapped link with one 4mm Vintage Rose crystal bicone bead. Attach one side of this wire wrapped link to the center lower opening on the filigree drop from the previous step. Attach the other side of this link to one 11mm Mocca crystal pendant.

Step 3

Place one 4mm Vintage Rose crystal bicone bead onto a head pin, making one unit. Wire wrap (see *Wire Wrapping Technique*) this unit to the left-side opening on the same filigree drop.

Step 4

Repeat Step 3 with the right-side opening on the same filigree drop.

Step 5

Repeat Steps 1 – 4 for the second earring.
