## **Instructions to complete “Night Flower” earrings:**

### **Step 1**

Place these beads onto one head pin, making one unit:

1 – baby bell flower bead (wide end first)

1 – bead cap (cupped end toward the previous bead)

Turn a simple loop (see Simple Loop Technique) at the very end of the head pin, leaving 0.75-inch of wire between the loop and the beads.

### **Step 2**

Repeat Step 1 twice, making a total of three baby bell flower units.

### **Step 3**

Open the loop on one eye pin, and attach the loops on the units made in the previous steps to the loop. Close the loop.

### **Step 4**

Place these beads onto the eye pin from the previous step:

1 – fluted flower Lucite bead (wide end first)

1 – bead cap (cupped end toward the previous bead)

### **Step 5**

Turn a simple loop at the open end of the eye pin. Attach the loop just made to the loop on one ear wire.

### **Step 6**

Repeat Steps 1 – 5 for the second earring.
