Tools needed to complete the earrings:

Round nose pliers
Chain nose pliers
Wire cutters

Beading Techniques needed to complete the earrings:

Wire Wrapping
Attaching an Ear Wire

For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select Beading Techniques from the top navigation bar.

Instructions to complete “Jingle Bells” earrings:

Step 1

Using wire cutters, cut two ½ inch lengths of chain. Set aside one length for the second earring.

Step 2

Place one 6mm Crystal Silver Shade crystal round bead and one 8.5x11mm bell flower bead cone (cupped end toward the previous bead) onto a head pin, making one unit. Wire wrap (see Wire Wrapping Technique) this unit to one end link of one length of chain.

Step 3

In the same manner as in the previous step, wire wrap the following bead units to the indicated chain links (the link used in the previous step is the first link):

3rd link: 1 – 6mm Crystal Silver bead, 1 – 6.5x9.5mm bell flower bead cone

4th link: 1 – 4mm Crystal Silver bead, 1 – 5.5x7.5mm bell flower bead cone

4th link (on the opposite side of the link used previously): 1 – 5mm Light Siam bicone bead

5th link: 1 – 5mm Light Siam bicone bead

6th link: 1 – 4mm Fern Green bicone bead

Step 4

Open the loop on one ear wire (see Attaching an Ear Wire Technique). Attach the loop to the last chain link, and close the ear wire loop.

Step 5

Repeat Steps 2 – 4 for the second earring.
