- 17 inches - 5mm Imitation Rhodium Plated Steel Square Wire Oval Cable Chain (CN5734)
- 1 - 16x12mm Antique Silver Plated Pewter Toggle Clasp by TierraCast® (SP2128)
- 52 - 24 gauge Sterling Silver 1.5 inch Head Pins (SS4003)
- 3 inches - 24 Gauge Sterling Silver Half Hard Wire (SW0117)

Tools needed to complete the necklace:

- Round nose pliers
- Chain nose pliers
- Wire cutters

Beading Techniques needed to complete the necklace:

- Opening and Closing a Jump Ring
- Wire Wrapped Link
- Wire Wrapping

Instructions to complete “Ebb and Flow Pink” necklace:

Step 1

Using wire cutters, cut the chain into two 8.5-inch lengths.

Step 2

Place one 8mm Ruby crystal bicone bead onto a head pin, making one unit. Wire wrap (see Wire Wrapping Technique) this unit to one end link of one chain length.

Step 3

Repeat Step 2, wire wrapping a second 8mm Ruby crystal bicone bead to the same side of the same chain link.

Step 4

In the same manner as in Steps 2 – 3, wire wrap two 6mm Ruby crystal bicone beads to the opposite side of the same chain link.

Step 5

In the same manner as in Steps 2 – 4, wire wrap these beads to the chain, one bead per unit, four beads per chain link, two on each side of the link (except the 7th link):

2nd link: 2 – 6mm Ruby bicone beads, 2 – 8mm Fuchsia bicone beads

3rd link: 2 – 8mm Fuchsia bicone beads, 2 – 6mm Fuchsia bicone beads

4th link: 2 – 6mm Fuchsia bicone beads, 2 – 8mm Rose bicone beads

5th link: 4 – 6mm Rose bicone beads

6th link: 2 – 8mm Light Rose bicone beads, 2 – 6mm Light Rose bicone beads

7th link: 2 – 6mm Light Rose bicone beads (one on each side of the link)

Step 6

Repeat Steps 2 – 5 with the second chain length.

Step 7

Using a 3-inch length of wire, make a wire wrapped link with one 8mm Ruby crystal bicone bead (see Wire Wrapped Link Technique). Connect each side of the wire wrapped link to the first chain link of both chain lengths.

Step 8

The links of the chain are unsoldered and can be opened and closed like jump rings (see Opening and Closing a Jump Ring Technique). Open the two unattached end links of chain, and attach each to one side of the toggle clasp. Close both chain links.
