- 5 - 24 gauge Silver Plated Brass 1.5 inch Head Pins (BM2687)
- 1 - 24 gauge Silver Plated Brass 2 inch Head Pin (BM2691)

## **Tools needed to complete the necklace:**

Round nose pliers  
Chain nose pliers  
Wire cutters

## **Beading Techniques needed to complete the necklace:**

Opening and Closing a Jump Ring  
Attaching a Cord End - Style 1  
Wire Wrapping

## **Instructions to complete “Frolicsome” necklace:**

### **Step 1**

String one end link of the 1-inch length of chain onto the 20-inch length of cord. Pull the chain to the middle of the cord, fold the cord around the chain link, hold the two sides of the cord together, and tie them with an overhand knot.

### **Step 2**

Place one 4mm red jasper bead and one 2x3.5mm bead cap onto a 1.5-inch head pin, making one unit. Wire wrap (see Wire Wrapping Technique) this unit to the second chain link from the one attached to the cord.

### **Step 3**

In the same manner as in the previous step, wire wrap these units to the specified chain links, counting from the one attached to the cord (use 1.5-inch head pins except as noted):

4<sup>th</sup> link: 1 – 4mm red aventurine faceted round gemstone bead, 1 – 2x3.5mm bead cap

6<sup>th</sup> link: 1 – 6mm Turquoise pearl, 1 – 3x5mm bead cap

8<sup>th</sup> link: 1 – 6mm Lapis pearl, 1 – 3x5mm bead cap

10<sup>th</sup> link: 1 – 6mm Jade pearl, 1 – 3x5mm bead cap

12<sup>th</sup> link: 1 – 10x7mm turquoise teardrop (2” head pin)

### **Step 4**

Attach one end of the cord to one cord end (see Attaching a Cord End - Style 1 Technique).

### **Step 5**

Repeat Step 4 on the other end of the cord.

### **Step 6**

Open two jump rings (see Opening and Closing a Jump Ring Technique). Use one jump ring to attach the loop on one side of the toggle clasp to one cord end and the other jump ring to attach the loop on the second side of the clasp to the other cord end. Close both jump rings.
