Step 6

Repeat Steps 2 – 4, making a second 15-inch bead crochet chain with an 8-inch tail.

Hold one end of both chains together so that the end beads are aligned. Thread the cord ends through one 6mm jump ring, and tie the ends with an overhand knot around the ring. Tie a second knot to secure the attachment. Cut the cord ends close to the knot, and apply a drop of Hypo Tube Cement to the knot.

Step 8

Repeat Step 7 on the other end of the crochet chains.

Step 8

Open one 4mm jump ring (see Opening and Closing a Jump Ring Technique). Use the jump ring to attach the loop on the lobster claw to one 6mm jump ring. Close the jump ring.

Step 9

Open a second 4mm jump ring, and use it to attach the end chain link on the extender to the second 6mm jump ring. Close the jump ring.
