Macrame - Adjustable Closure

**Instructions to complete “Look Lively” bracelet:**

**Step 1**

Using Superlon bead cord, make 10 half knots (see Macrame – Adjustable Closure Technique).

**Step 2**

String about 80 (more if you will need a bracelet longer than 7.5 inches) size 8 seed beads onto one tying cord.

**Step 3**

Beginning with the next knot, each time the tying cord strung with beads crosses over the opposite tying cord, pull one bead up to the knot. A bead will appear between each pair of half knots. Continue working macramé for the desired length less one inch.

**Step 4**

Make 10 half knots without beads.

**Step 5**

Following Steps 22 – 26 of the technique, make an adjustable closure for the bracelet.

**Step 6**

Trim the cord ends, leaving about 3 inches of tail. String three size 11 seed beads onto each tail, and tie a knot at the end of each cord to secure the beads.
